# TIME 'N' TIDE

ALMA MATER

Where the sleepy silver Bluff Creek
Gleams among the pines,
Watching o'er a stately people
Alma Mater Shines.

Forward, forward,
Vancleave High School
Time 'n' Tide may fail,
But our hearts shall ever love thee
Vancleave High School hail.

Like a wave thy humble children
Surge around thy feet,
Guide them, train them,
Teach them wisdom,
Alma Mater sweet.

To those who open this book: "Welcome!" The staff of the 1964 TIME 'N' TIDE hopes that as you turn the pages of this book, the accomplishments, expectations, triumphs, and all other events which have painted the picture of this school year, have been faithfully portrayed. We have worked this year with one goal in mind, "to turn out the best TIME 'N' TIDE yet." As editor this year, I want to take this opportunity to thank everyone who worked so long and hard to make this book a reality . . . I especially want to thank our helpful sponsor, Mrs. Opal Vaughn, for being so patient with us.

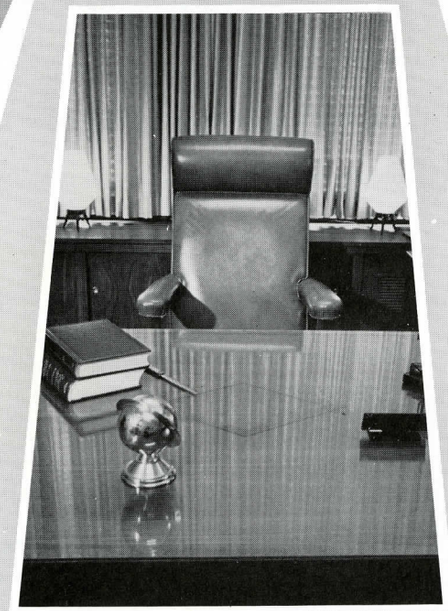
# ADMINISTRATION



May I commend you for another successful year at Vancleave High School. I would like to thank all who have helped to make this possible.

We have had the largest enrollment in the history of Vancleave. Our building program has moved forward and we are very proud of our new Homemaking Department and Cafeteria.

To the seniors, I wish for you the best in health, happiness, and prosperity.

To the undergraduates, I wish for you a desire to strengthen your educational background in order to successfully compete in this demanding world.

Sincerely,

L. J. Pennell

ASSISTANT PRINCIPAL

As we come to the close of another year at Vancleave High School may we pause momentarily to reflect upon our past achievements and failures so that we might take the lessons learned here and use them as experience to guide us to be better persons as we strive to make our school and our community better places in which to learn and live.

As Keats said in our favorite poem: "Our slender life runs rippling by and glides into the silent hollow of the past. What is there to abide to make the next life better than the last."

I believe these words express a deep message to make us realize our responsibility not only to ourselves but to posterity.

Robert Clapp

SECRETARY

Mrs. Cleo Taylor fills and important function in the efficient operation of our school. She takes care of school money, makes school reports, and serves as "Mr. Pennell's right hand man." Mrs. Taylor's cheerful personality has made her popular with students and teachers because she is always ready to help them in any way she can.
